

WARNING

INIS UNO

Sonesse
40 WT

The Sonesse 40 range of motors is a Class II double-insulated device, and does not require an earth connection.

Directions can be reversed by swapping the two active wires from the motor to the appropriate terminal on the Inis Uno.

Directions are determined by the motor's position & the direction of roll.

ACTIVE
NEUTRAL
EARTH

230 V 50Hz
